

**Somalia and Eritrea Monitoring Group****REFERENCE: S/AC.29/2016/SEMG/OC.46****CONFIDENTIAL**

9 June 2016

Excellency,

I have the honour to address you in my capacity as Coordinator of the Somalia and Eritrea Monitoring Group (SEMG) mandated pursuant to paragraph 31 of Security Council resolution 2244 (2015).

The SEMG has a responsibility to investigate, *inter alia*, matters that have the potential to impact peace and security in the region. In this regard, the SEMG has been conducting an investigation into Soma Oil & Gas Limited (“Soma Oil”) since 2013 when an agreement was signed between the company and the Federal Government of Somalia (FGS). As part of its investigation, the SEMG has sought information on the background of individuals associated with the company, including its directors and shareholders.

On 10 March 2016, the website *Buzzfeed* published a story indicating that the SEMG was investigating links between the director of Soma Oil and shareholder Mr. Hassan Khaire and extremist groups including Al-Shabaab.

The SEMG has investigated links between Mr. Hassan Khaire and extremist groups. I wish to confirm that the SEMG has not found credible evidence of such links and that, in the absence of any new information received by the SEMG clearly demonstrating such links, we now consider this line of inquiry to have reached a conclusion.
